**Come See  
What the locals  
Crave...**

If it's fresh bread that you're craving, Spencer's bakes their own breads daily.

Annette & Fino serve up a great sit down-breakfast menu or stop by the breakfast bar for your own coffee or tea and a homemade pastry.

Lunch includes traditional favorites like salads, fish and chips or gyro's that are worth the visit...or try a Mediterranean dish like hummus or tabouli.

In addition Spencer's offers a full dinner menu including fresh fish specials and the locals will tell you that whatever Fino puts out on the bar for tasting along with a cold beer is well worth it.
